Description
For sale in Liopetri, this agricultural field covers 12146 m² of open countryside in the Famagusta district. The land has a regular shape and an even surface, which makes it straightforward to work, plant or keep as farmland. It also has direct road access.

The village centre is a short drive away, as are the neighbouring villages of Xylofagou and Avgorou, local petrol stations and the Larnaca–Agia Napa motorway. The surrounding farmland lies away from dense development. This is a well-proportioned field of level agricultural ground.
