For Sale : **€ 50,000**

Description
In Sotira, near the municipal stadium, this field of 24,002 m² offers a sizeable piece of ground with an irregular outline. About half of the land lies in an agricultural zone, open to farming and planting. The other half lies in a residential zone, with room for a home. The village centre is a short drive away, as are Paralimni and the main roads of the area.

The sale is a 1/9 share of the field. The ground is even across the whole plot, a level field in a working village setting.
