For Sale : **€ 43,000**

Description
For sale in Gerakies, this field brings together four adjoining parcels, sold as a single holding with a combined area of 38,909 m². Together they form a regular, well-proportioned shape on sloping ground, and the land has road access. It sits in an open countryside setting outside the village.

The Gerakies village centre is a short drive away, as are the neighbouring villages of Kalopanagiotis and Oikos. Main roads and a petrol station are also within a drive. The result is a sizeable, regular piece of the Cypriot countryside, held together in one block.
