For Sale : **€ 30,000**

Description
Everyday life in Ormideia is close at hand from this residential field, set within the village itself, with supermarkets, shops and public service offices all within walking distance. It is a setting rooted in authentic Cypriot village life. Restaurants, cafés, parks and the village centre are a short drive away, as are local schools.

The land covers a generous 6718 m² with an even, level surface and an irregular shape, and it has direct road access. Its residential zoning points naturally towards a home in a community with a strong local identity and a slower pace.

Neighbouring Xylotymbou is a short drive away. Main roads and the Larnaca – Agia Napa Motorway are a drive away, bringing Larnaca and Agia Napa within reach while you stay part of village life.

This sale is for a one-twelfth share of the field.

Level ground, a village setting and daily essentials you can reach on foot make this an uncomplicated foundation for life in Ormideia.
