Description
An agricultural field for sale in Xylofagou, Cyprus, set in open countryside outside the village. The land covers 3,821 m² and has a regular shape and an even surface, so it is simple to work and to plan. It lies in an area set aside for livestock use, which gives it a clear farming purpose.

The villages of Liopetri and Avgorou are a short drive away, as are petrol stations and the Larnaca – Agia Napa Motorway. The field does not have its own road access. It is a well-proportioned, level piece of land with a defined livestock use.
