Description
Agricultural land in Moutoullas: four adjoining fields offered together as a single unit, with a combined area of 13,455 m². The ground is sloping and irregular in shape, set in an open countryside setting, and the land has direct road access.

The village centre is a short drive away, as are the neighbouring villages of Pedoulas and Kalopanagiotis. Petrol stations are close by, and the main roads are within a drive. Zoned for agricultural use, this is a versatile piece of land for farming or planting. The four fields join into one continuous plot in the Moutoullas countryside.
