offered to...

For Sale : **€ 33,000**

Description
Two adjoining fields in Agios Georgios Kafkallou, offered together as a single agricultural holding of 16,724 m². Olive trees already grow on the land, and the ground is fertile and suited to cultivation.

The land is irregular in shape and slopes. Access is by an unregistered road. The village centre and the neighbouring villages of Nikitari and Vyzakia are a short drive away, as are the main roads of the area. This is a sizeable stretch of farmland, with olive trees already in place and fertile soil to work.
