Description
In an open countryside setting just outside Agios Theodoros Soleas, this agricultural field covers 19,733 m² of sloping ground. It is irregular in shape and is reached by a dirt road, giving practical access for farming work. The land is zoned for agricultural use and can be planted or cultivated. The village centre is a short drive away, as are the neighbouring villages of Evrychou and Temvria. The main road between Astromeritis and Evrychou is also close at hand. This is a sizeable, versatile piece of farmland in the Solea countryside.
