For Sale : **€ 14,000**

Description
A field for sale in Paralimni on residential land, set among the everyday life of one of the liveliest towns in the Famagusta district. Supermarkets, schools, cafés and medical centres are all a short drive away, as is the town centre with its shops and services.

The land is regular in shape with an even, level surface, and it has direct road access, an uncomplicated starting point for anyone thinking about a home in this part of Cyprus. It is a generous plot, and its residential zoning points clearly to that general use.

The wider setting adds plenty. Kapparis is close by, Paralimni Lake offers a green and open outlook for walks, and there are parks and sports facilities nearby, including Tasos Markou Stadium. Main roads and the Larnaca to Agia Napa motorway are within easy reach, so the rest of the island stays well connected.

This sale is for a one-fifteenth share of the land.

Level ground, direct road access and residential zoning, all in a well-served corner of Paralimni close to the town, the lake and the coast.
