Description
Village life sits right on the doorstep of this residential field in Avgorou, with cafés, restaurants, green parks and the heart of the village all within walking distance. It is a setting rooted in authentic Cypriot village life, where daily errands and an evening coffee are only a short walk away.

The land is regular in shape with an even surface, which makes it straightforward to picture a family home taking shape here, in keeping with its residential zoning. Direct road access adds to its practical appeal.

Beyond the village, the wider area opens up easily. Public service offices, petrol stations and the local stadium are a short drive away, while schools, supermarkets and the motorway towards Larnaca and Agia Napa are within a comfortable drive. Neighbouring Liopetri and Acheritou are also close by.

This sale is for a two-eighths share of the field.

An even, well-shaped piece of residential land with the warmth of a close-knit community just a stroll away.
