Description
Set among the homes and fields of Sotira, this residential field for sale in Cyprus's Famagusta district sits in a village with a strong local identity, where everyday life moves at a gentler pace. The village centre, schools, supermarkets and cafés are all a short drive away, with Paralimni and Frenaros close at hand for wider shopping, dining and services.

The land covers a generous 2,714 m² of level ground, zoned for residential use. Around it, Sotira offers sports venues, a park and medical centres, all within easy reach, so practical needs are well covered.

For anyone drawn to the Famagusta area, the setting has plenty to recommend it. Paralimni Lake, a favourite nature spot, is a short drive away, a reminder that open landscape and fresh air are part of daily life here.

This sale is for a one-quarter share of the land.
