Description
This field in Fikardou offers 15,720 m² of open agricultural land in the Nicosia district. It suits farming, planting or simply holding a good-sized piece of rural ground. The land slopes and has an irregular shape, and an access road reaches it.

The village centre is a short drive away, as are the neighbouring villages of Lazanias and Gourri. A petrol station and the main roads are within driving distance, and the Nicosia–Limassol motorway is in the wider region. This is a generous, versatile plot of Fikardou countryside, zoned for agricultural use.
