An agricultural field in the coastal municipality of Paralim...

For Sale : **€ 4,000**

Description
An agricultural field in the coastal municipality of Paralimni, set in an open countryside setting with a short drive to the Larnaca to Agia Napa motorway, the town centre, Agia Napa and Protaras. The land covers 2665 m² and has an even surface across an irregular shape, which makes the ground practical to work. Its agricultural zoning suits farming and planting. It could also be a practical addition to nearby agricultural land. This sale is for a share of the field, not the whole. The result is a level, uncomplicated piece of farmland within easy reach of Paralimni.
