For Sale : **€ 3,500**

Description
For sale: a field in Liopetri, lying in open countryside outside the village and recorded as a livestock field. The land covers 4855 m² of even ground in an irregular shape, with direct road access along one boundary. Its agricultural zoning points to farming use.

The village centre and petrol stations are a short drive away, as are the neighbouring villages of Avgorou and Frenaros. The Larnaca – Agia Napa Motorway is within a drive, giving links across the district. This sale is for a one-sixth share of the land. Level ground and road access make this an uncomplicated piece of farmland in the Liopetri countryside.
