Description
This field of 8102 m² lies in the countryside of Agia Marina Xyliatou, on agricultural land a short drive from the village centre. The ground is sloping and irregular in shape, and the field is reached by an access road. Kato Moni and Agioi Iliofotoi are a short drive away, and the main roads and the motorway towards Nicosia are within easy reach by car.

The agricultural zoning suits farming or planting, in an open setting away from dense development. This is a versatile piece of land in the Agia Marina countryside, with a generous 8102 m² of ground to work.
