For Sale : **€ 4,500**

Description
A field in Avgorou, in the Famagusta district, set in open countryside outside the community. The whole field measures 16,483 m² and has a regular rectangular shape with a slightly sloping surface. It is reached by a dirt track and lies a short distance from the main road between Avgorou and Ormideia, which gives straightforward links to the village and the surrounding area.

The land is agricultural and suited to farming or planting. This sale is for a one-twelfth share of the field. It is a versatile piece of land with a practical shape in the Avgorou countryside.
