Description
Level farmland in Paralimni, this field covers 1242 m² of agricultural land with an even surface and an irregular outline. The flat ground lends itself to cultivation or planting in an open countryside setting. Protaras, Agia Napa and the town centre are all a short drive away, with main roads and petrol stations close by. The field is landlocked and has no road access of its own. This sale is for a one-fifteenth share of the field. It is a level, open piece of agricultural land in a familiar part of the Famagusta district.
