For Sale : **€ 21,500**

Description
In the foothills countryside of Nicosia District, this field for sale in Vyzakia, Cyprus, offers a generous 12,090 m² of residential land in a setting that keeps authentic Cypriot village life close at hand. The village centre, schools and public service offices are a short drive away, as are the neighbouring villages of Potami and Pano Koutrafas.

The land has an irregular outline and a sloping surface, and it enjoys direct road access. Its residential zoning points to a home in the countryside, with the landscape around it setting the tone rather than dense urban development. Main roads are within easy reach, so restaurants, cafés, supermarkets, shops and bus stations are all a drive away, and a motorway junction lies in the wider region.

Life here means a slower pace and a close-knit community, with the painted Byzantine church of Panagia tis Asinou, one of the island's best-loved heritage sites, just a drive from your doorstep. This sale is for a one-quarter share of the land.

A spacious stretch of Vyzakia countryside, rooted in a setting with a strong local identity and a closer connection to nature.
