Description
Two adjoining agricultural fields in Moutoullas are offered together as a single holding of 7,693 m². The land has an irregular shape and a sloping surface, and it has direct road access. This is a practical field for farming or planting in an open countryside setting.

The neighbouring villages of Kalopanagiotis and Pedoulas are a short drive away, as are petrol stations, and the main roads are within a drive. Its agricultural zoning keeps the use clear and straightforward. This is a versatile piece of land with generous space to cultivate.
