For Sale : **€ 16,000**

Description
Two adjoining fields in the countryside of Oikos come together here as one piece of agricultural land, covering 8697 m² in total. The ground slopes and the outline is irregular, set in an open, landscape-led setting away from dense urban development.

The village centre is a short drive away, as are the neighbouring villages of Kalopanagiotis and Moutoullas. Petrol stations are close by, and the main roads are a drive away. The land has no direct road access of its own. Both fields are sold together as a single, sizeable stretch of Cypriot countryside.
