Olive trees grow across this flat, rectangular field on the...

For Sale : **€ 90,000**

Description
Olive trees grow across this flat, rectangular field on the market in Panagia Evangelistria, Dali, set in a quiet, sparsely built residential setting just outside the town. It offers a generous stretch of open land with an uncomplicated shape, in a corner of Nicosia district where life still moves at an easy pace.

The land is zoned for residential use, so it lends itself to a home surrounded by space and greenery. Daily needs are close at hand: schools, cafés, restaurants and the town centre are all a short drive away, as is Chalkanoras Stadium. History is part of the neighbourhood too, with the ancient site of Idalion and the heritage site of Agios Sozomenos nearby.

The area is well connected. Motorway junctions for Nicosia, Larnaca and Limassol lie a short drive away, keeping the capital and the coast within easy reach of Dali's calmer rhythm.

This sale is for a one-quarter share of the land. Level ground, olive trees and a peaceful residential setting give it an honest, lasting appeal.
