Description
A field for sale in Kato Moni, Cyprus, offering 6355 m² of agricultural land in an open countryside setting in the Nicosia district. The ground is gently sloping and irregular in shape, and its agricultural zoning suits farming and planting. The village centre is a short drive away, as are the neighbouring villages of Agioi Iliofotoi and Agia Marina Xyliatou, while the main road network and the Astromeritis–Evrychou motorway are within a drive. This is a generous, uncomplicated piece of farmland in the rural surroundings of Kato Moni.
