For Sale : **€ 16,000**

Description
This agricultural field for sale in Klirou sits in an open countryside setting in the Nicosia district. It covers 7358 m² and is described as a livestock field. The ground slopes and the shape is irregular, following the lie of the surrounding land.

The village centre, petrol stations and neighbouring Malounta are all a short drive away. The Lefkosia South Orbital Motorway is within a drive. The locality has a natural environment, away from dense urban development.

This is a generous piece of farmland in the Klirou countryside, suited to livestock use.
