For Sale : **€ 15,000**

Description
Open countryside surrounds this flat Cyprus field in Peristerona, a village in the Nicosia district. It offers 3011 m² of agricultural land, set a short way outside the village centre. The level ground and regular outline make it straightforward to work, whether for planting crops, setting out trees or adding to an existing farm. The field has no direct road access of its own. It is a well-proportioned, uncomplicated piece of agricultural land.
