Description
Two adjoining fields in the countryside of Politiko are offered together as one holding of 19,399 m². The land has an irregular shape and a sloping surface. It is reached by a pathway that runs along one of its boundaries.

The land is zoned for farming, and part of it lies in a protection zone. Politiko's village centre is a short drive away, with Filani and Klirou also close by, and the Tamassos dam is in the same area. Main roads and the Nicosia–Deneia motorway are a drive away. This is a sizeable, sloping piece of farmland within reach of the village.
