For Sale : **€ 15,000**

**Description**
A field of 7,284 m² on sloping ground in the Xyliatos countryside, within the village community in the Nicosia district. The land has an irregular shape and direct road access, and sits in an open rural setting away from dense development. The village centre is a short drive away, as are the neighbouring villages of Agios Georgios Kafkallou and Agia Marina Xyliatou. The Astromeritis–Evrychou motorway is within driving distance and links the area with the rest of the district. This is a generous, inclined parcel of Xyliatos land with its own direct road access.
