Description
Covering 7693 m² of open countryside, this field listed in Nikitari is sloping, irregularly shaped agricultural land in the Nicosia District. It lies within an area set aside for livestock, where premises for raising animals and poultry, other than pigs, are permitted. A pathway runs along one boundary.

The village centre is a short drive away, as are the neighbouring villages of Vyzakia and Pano Koutrafas. The Astromeritis–Evrychou motorway is also within a short drive, giving straightforward links towards Nicosia, and petrol stations are a drive away. On the edge of Nikitari, this is a versatile piece of land with livestock farming as its permitted use.
