For Sale : **€ 40,000**

Description
Authentic Cypriot village life sets the tone for this residential field for sale in Kapedes, Cyprus. It is a generous stretch of land, a short drive from the village centre, its cafés and its schools. Tamasos Lake and the green countryside around it are close at hand, as are the neighbouring villages of Kampia, Filani and Politiko.

Zoned for residential use, the land offers room to picture a family home in a setting with a strong local identity, away from dense urban development. The ground slopes, and the field enjoys direct road access. Supermarkets, petrol stations and everyday services are a drive away. The Limassol–Nicosia motorway links Kapedes with both cities, so village life never means feeling cut off.

This sale is for a one-quarter share of the land.

Open space, a close-knit community and the lake on your doorstep make an appealing balance of village character and easy connections.
