Description
In the established Apostolos Loukas neighbourhood of Aradippou, this residential field sits where everyday life happens. Schools, restaurants and cafés are within walking distance. Supermarkets, pharmacies, medical centres and the town centre are all a short drive away.

The land is a generous, irregular plot with an even surface, zoned for residential use. It is the kind of ground where a family home could one day take shape among neighbours, parks and local amenities. Rizoelias National Forest Park is close by for weekend walks. Sports fans have both the Aradippou Municipal Stadium and the Antonis Papadopoulos Stadium within easy reach.

Getting around is simple. Main roads and the Larnaca to Agia Napa motorway are a short drive away, and Larnaca town and its amenities are close at hand. This sale is for a one-sixth share of the field.

Above all, this is an honest, uncomplicated piece of residential land in a neighbourhood where schools and cafés are just a stroll away.
