**Description**
This field in Kato Koutrafas sits in an open countryside setting in the Nicosia district. It covers 5017 m² of flat ground in an almost rectangular shape, giving a well-proportioned parcel. A rainwater stream runs along one of its boundaries.

The main Astromeritis–Evrychou road is within easy reach, and the village centre, Pano Koutrafas and Nikitari are all a short drive away. The land is level, regular in shape and of a generous size.
