Description
A field for sale in Fterikoudi, offering 7693 m² of agricultural land in an open countryside setting within Nicosia District. The parcel has an irregular shape and an uneven surface, giving a sizeable piece of ground suited to farming or planting.

The village centre is a short drive away, as are the neighbouring villages of Platanistasa and Askas. A petrol station is within driving distance, and the Astromeritis–Evrychou motorway lies in the wider region. The field has no direct road access of its own.

This is a generous, uncomplicated piece of the Cypriot countryside, zoned for agricultural use.
