For Sale : **€ 10,500**

**Description**
An agricultural field for sale in Klirou, set in the farming countryside of Nicosia district. The field covers 7,024 m² of even ground with an irregular shape, and it lies on land zoned for agricultural use. The village centre and petrol stations are a short drive away, as are neighbouring Malounta and Politiko. The motorway network towards Nicosia lies in the wider region.

Some old metal structures stand on the land and are beyond economic use. This sale is for a half share of the field. Its level surface makes it a practical piece of ground to cultivate in the Klirou countryside.
