For Sale : **€ 10,000**

Description
An agricultural field for sale in Kampos, set in open countryside a short way from the village centre. The land covers 1598 m², with an irregular shape and a sloping surface. It has direct road access, so reaching it with vehicles and equipment is straightforward.

Its agricultural zoning suits farming or planting. Tsakistra is a short drive away, Kykkos is within a longer drive, and the main roads serve the wider region. This is a versatile piece of farmland with its own road access, close to the village of Kampos.
