Description
Agricultural field for sale in Kalopanagiotis, covering 5166 m² of sloping ground in an open countryside setting. The land is zoned for agricultural use and has direct road access, which makes it practical to reach for planting, farming or holding as rural land.

The village centre of Kalopanagiotis is a short drive away, as are the neighbouring villages of Oikos and Gerakies. Main roads and a petrol station are within driving distance. This is a versatile piece of farmland, with a generous area to work in a rural part of the Nicosia district.
