For Sale : **€ 15,000**

Description
A level agricultural field in Ergates, offering 1914 m² of open land in the Nicosia countryside. Its regular shape and even surface make for a practical, well-proportioned layout for planting or cultivation.

The field belongs to the Ergates community, with the village of Anageia within walking distance and Psimolofou a short drive away. As agricultural land, it lends itself to farming or to a long-term land holding in a non-urban setting. This sale is for a half share of the field. It is a flat, evenly shaped piece of Cypriot farmland.
