For Sale : **€ 10,000**

Description
Wrapped in beautiful natural surroundings, this residential field in Agios Theodoros Soleas offers a sizeable piece of village land in Nicosia District, with the calm pace of community life all around it.

The land is irregular in shape and has a sloping surface, so any plans will need to work with its contours. It has direct road access along one boundary, and its residential zoning allows room for a home in a setting where nature sets the tone. Picture mornings that begin with open air and green surroundings rather than city traffic.

The wider area invites you outdoors. The Solea Reservoir is a short drive away for walks by the water, and the village of Evrychou is close by too. The Byzantine church of Panagia tis Asinou, a well-loved heritage site, is also within a short drive, adding a sense of history to the landscape.

The sale is for a 1/7 share of the field.

For anyone drawn to village life and the beauty of the Cypriot countryside, Agios Theodoros Soleas holds a strong appeal, and this land is a place to begin.
