Description
For sale in Pera, this agricultural field covers 5017 m² of open countryside in the Nicosia district. The ground slopes across the plot and suits farming or planting, with a pathway running along one boundary.

The village centre and petrol stations are a short drive away, as are the neighbouring villages of Kampia and Analiontas. The Nicosia–Limassol motorway and the Nicosia orbital motorway can both be reached by car. The land around Pera sits away from dense urban development.

This is a versatile piece of agricultural land with a practical size for cultivation.
