For Sale : **€ 20,000**

Description
An agricultural field for sale in Alampra, Cyprus, set in open countryside in the Nicosia district. The land covers 10703 m² of sloping ground with an irregular shape, and a creek runs through it. The field has no asphalt road access.

The village centre of Alambra is a short drive away, as are the villages of Lympia and Mosfiloti, and the surrounding area is within easy reach of the motorway network linking Nicosia, Limassol and Larnaca. Its agricultural zoning makes it a versatile piece of land for farming or planting. This is a long-term land holding with space and water running through it.
