For Sale : **€ 10,000**

**Description**
An agricultural field for sale in Mitsero, made up of two adjoining parcels offered together as one holding of 4,915 m². The land sits in an open countryside setting, away from dense development, with the villages of Agios Epifanios Oreinis and Kalo Chorio Oreinis a short drive away and the Mitsero village centre also within easy reach. Please note that the land has no direct road access. Together the two parcels form a regular, well-proportioned shape, with ground that slopes unevenly across the site, a straightforward piece of the Cypriot countryside in the Mitsero area.
