For Sale : **€ 9,000**

Description
An agricultural field for sale in Astromeritis, set in a countryside setting a short drive from the village centre. The land measures 2843 m² and has a regular shape with an even surface, a practical piece of ground to plant or cultivate. It has road access, and main roads and the neighbouring village of Peristerona are a short drive away. The Nicosia motorway and its junctions are within a longer drive.

Its agricultural zoning sets it for farming use. It is a well-proportioned, level field in the Astromeritis countryside, with a simple layout that is easy to work.
