Prime Residential Plot in Kallithea: Exceptional Build Potential and Strategic Versatility

For Sale : € 115,000

Description

This residential plot in the thriving Kallithea area of Dali represents a premier opportunity for those seeking a balance between high-value living and a smart Cyprus real estate investment. With a building density of 90%, the property provides the versatility required for a large-scale custom family home or a sophisticated small-scale residential development. Its favorable planning parameters allow for a two-story structure, making it an ideal canvas for modern architectural designs focused on maximizing both space and comfort.

The plot is strategically positioned to offer both tranquility and seamless urban accessibility. Located just off the Nicosia-Limassol Motorway, it ensures a rapid commute to the capital's center and coastal districts. Residents will benefit from being in close proximity to the 3rd Primary School of Dali and the Dali Health Centre, while the nearby Carlsberg Brewery and the Dali Industrial Area support steady demand for residential projects in this growing corridor. For those seeking premium plots of land for sale in Kallithea, this G&P Lazarou trusted property represents a secure foundation with a title deed already available.
