For Sale : **€ 14,000**

Description
Set in open countryside around Lympia, this agricultural field in the Nicosia district covers a total of 10,368 m² of level ground. Its even surface and generous size suit farming or planting, in a landscape-led setting away from dense urban development.

The Nicosia–Larnaca motorway is a short drive away, as are the village centre, petrol stations and the neighbouring villages of Psevdas and Koshi. The Nicosia–Limassol motorway is also within a drive. This sale is for a one-third share of the field.

A versatile piece of agricultural land with a flat, even surface.
