For Sale : **€ 13,000**

Description
A sizeable agricultural field in Lympia, set in open countryside in the Nicosia district. The land lies on sloping ground with an irregular shape, in a landscape-led setting away from dense urban development. Its agricultural zoning suits farming or planting.

The village centre of Lympia and neighbouring Koshi are a short drive away. The wider area is well connected, with the Nicosia–Larnaca motorway close by. This sale is for a one-quarter share of the field. It is a versatile piece of farmland in a plain rural setting.
