For Sale : **€ 13,000**

Description
Level farmland in the countryside around Psimolofou, with direct road access. The whole field measures 8724 m². Its flat ground makes it straightforward to work, plant or keep in agricultural use.

The village centre and petrol stations are a short drive away, as are the neighbouring villages and the main roads. The Nicosia motorways and their junctions are within a drive, so the capital is easy to reach.

This sale is for a one-fifth share of the field. It is a flat, versatile piece of Psimolofou agricultural land with its own access from the road.
