For Sale : **€ 8,000**

Description
A field for sale in Palaichori Morfou, set in an open countryside setting well outside the village centre in Nicosia District. The land extends to 16221 m². It has an irregular shape and an uneven surface that follows the natural lie of the ground. It has no direct road access.

The neighbouring villages of Apliki, Fterikoudi and Agios Epifanios Oreinis are each a short drive away, and the surrounding area keeps a landscape-led character away from dense urban development. This is a generous piece of the Palaichori Morfou countryside, measuring 16221 m² in total.
