Description
For sale in Ergates, Nicosia: two adjoining agricultural fields offered together as one piece of land of 1,849 m². The ground has a smooth surface, suited to farming or planting in line with its agricultural use, in an open countryside setting near the village. The village centre is a short drive away, as are the neighbouring villages of Anageia and Episkopeio, petrol stations and main roads. The Nicosia motorway network lies a drive further. The land itself has no direct road access. Together, the two fields form a versatile, smooth-surfaced piece of farmland in the Ergates countryside.
