Description
For sale: a field in Fterikoudi, set in open countryside a short drive from the village centre. The land extends to 3122 m² of agricultural ground, with an irregular shape and a sloping surface. The field is landlocked.

The neighbouring villages of Platanistasa and Askas are also a short drive away, and a petrol station is within a drive. Main roads serve the wider region. The land is zoned for agricultural use, which makes it suited to farming or planting. This is a piece of the Cypriot countryside with 3122 m² of sloping ground to cultivate.
