For Sale : **€ 9,000**

Description
Agricultural land in Politiko, in an open countryside setting a short drive from the villages of Kapedes and Kampia. The field covers 12,710 m² of uneven, sloping ground with an irregular shape, and a large number of pine trees grow across the parcel. Its agricultural zoning suits farming or planting, and it could be a practical addition to a rural holding in the Politiko area. The land has no road access. This sale is for a half share of the field. Its generous size and many pines give it a clearly rural character.
