For Sale : **€ 5,000**

Description
An agricultural field for sale in Peristerona, set among the open farmland that surrounds this Nicosia district village. The field covers 4,014 m² of even ground with an irregular outline, and its agricultural zoning suits cultivation and planting. The land has no direct road access of its own.

The village centre and petrol stations are a short drive away, and the neighbouring villages of Astromeritis and Potami are also close by. This sale is for a one-third share of the field. It offers level, open farmland in a rural setting and a straightforward agricultural land purchase.
