Description
A level, regularly shaped field in the countryside of Kampia, in the Nicosia district, set in a landscape-led area away from dense urban development. Its flat ground and neat outline make it a straightforward parcel to walk and understand. The village centre is a short drive away, as are the neighbouring villages of Politiko and Pera, with petrol stations close at hand. The Nicosia–Limassol Motorway and the Nicosia South Orbital Motorway are within a drive, linking the area to the capital and beyond. This sale is for a one-quarter share of the field.
